DETAILED ACTION

Acknowledgment is made of the amendment filed on 10/24/05. Claims 1-7 and 9-46 are currently pending.

Allowable Subject Matter

1. Claims 1-7 and 9-46 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: although the prior art of record, particularly the Dabrowski invention teaches a bill acceptor coupled with a card reader, the prior art of record fails to teach, or fairly suggest either alone or in combination thereof, a combined bill acceptor and data unit reader and method for controlling cash and cashless transactions at a combined bill acceptor and card reader, having a data unit reader electronically interposed between a bill acceptor and a host interface, the data unit reader having a digital electronic bill acceptor interface for receiving digital cash transaction data from the bill acceptor according to a bill validator protocol, the data unit reader passing through cash transaction data from the bill acceptor to the host interface according to the bill validator protocol when currency is accepted by the bill acceptor, and transmitting cashless transaction data to the host interface according to a different protocol when a data unit is read by the data unit reader.
